GET STARTED GEOCACHING

- Visit www.geocaching.com Sign up for a free membership
- Enter the coordinates of each of the BRaB 2.0 geocaches into your GPS device or geocaching app
- Use the coordinates to guide you to the cache location; sign the log, obtain the code word, and return the cache
- Go to geocaching.com or geocaching app to record your find. Share any comments and photos you like
- Collect all 15 unique code words and deliver to a redemption center for your geocoin.
- Claim your geocoin!

What is Geocaching?

Geocaching is an outdoor adventure where players use the free geocaching mobile app or GPS device to find hidden “caches” around the world

Currently, there are over 2.8 million geocaches placed in over 180 countries.

For more information on geocaching please visit: www.geocaching.com
